

Intel Northwest Science Expo Participation Mini-Grant Application

As school budgets are being cut, we recognize that funding for student participation in the Intel Northwest Science Expo may become more difficult to obtain at the school level. To give more students the opportunity to participate, Intel is funding a limited number of need-based grants to help meet the financial needs of students wishing to participate. Limited funds are also available for those attending regional fairs.

Teachers from your school participating in NWSE: _____

Contact Teacher: _____

Phone: _____

Email: _____

Address: _____

School: _____

District: _____

Number of Students Participating: _____

Briefly explain your need for these funds: _____

You may apply for funding in three categories: district transportation, substitute costs, and presentation supplies. Your proposed budget may include items in all three areas, but it cannot exceed \$750 for the school. Please submit your budget here:

District Transportation to and from NWSE (# buses, district vans or cars)

Transportation Total _____

Substitute Costs for Teachers Supervising Students at NWSE

(# of teachers requiring subs) x _____ (daily fee for sub) =

Presentation Supplies for Students Participating in NWSE

(# of projects attending NWSE) x \$10.00 (supply allowance per project) =

TOTAL (not to exceed \$750.00 per school)

Please submit your application via email or FAX by January 31 to:

nwse@pdx.edu OR ATTN: NWSE-Stephanie Jones fax#: 503 725-3884

*Applications not received by the January 31st deadline will not be considered.

*Please submit only ONE application per school per fair.

*Please do not attach supporting documents to this form.

*Applications will be reviewed by a committee. Need and student diversity will be considered in award decisions. Applicants will be informed of funding decisions by February 15 via e-mail.

*Costs will be reimbursed based on actual participation in the NWSE. Awardees need to supply NWSE with an invoice for costs on or immediately after the fair date. The invoice may be an informal signed letter. If substitute or transportation fees are included, the invoice must be signed by an administrator. The teacher's signature is sufficient if the invoice is only for presentation materials. In order for the PSU Foundation to write a check to them, the teacher must include their SSN on the invoice.
